Proposal For Funding the Administration Building Remodel and Remediation Work: **Approved and seconded**

**Vote called: 47 YES. +9 on zoom: = 56 APPROVED**

*The congregation unanimously approved the recommendation by the Board to release up to \$250K from the Capital Campaign Fund for the remodel and remediation work of the Administration Building. A subcommittee is continuing to meet with our architect and a possible contractor to define the scope of this work. We are confident that all safety issues and installation of an HVAC system and restroom can be accomplished for this amount. The subcommittee will keep the Board updated on a regular basis.*
